13. Through both its information and advocacy work, The Pew Charitable Trusts seeks to inform and advance the development of sound public policy in the United States, as well as to strengthen the institutions that form the foundations of our democracy. A major component of this ongoing strategy has been to help create an environment in which policy makers can productively deliberate important issues of the day. The purpose of the conference is to provide a collaborative environment for the chiefs of staff to learn from experts and discuss issues of importance to an effective legislative process.

14. The Pew Charitable Trusts has directly sponsored congressional travel. This will be the eighth Senate Chiefs of Staff conference hosted by Pew (2007, 2009, 2011, 2014, 2015, 2017, 2019). In the past, The Pew Charitable Trusts has also funded other institutions via grants to conduct their educational programs and some of these programs may have included congressional travel.

15. The Pew Charitable Trusts is driven by the power of knowledge to solve today's most challenging problems. Pew applies a rigorous, analytical approach to improve public policy, inform the public and invigorate civic life. We partner with a diverse range of donors, public and private organizations and concerned citizens who share our commitment to fact-based solutions and goal-driven investments to improve society. Pew issues dozens of research reports each year to educate the public and policy makers. Pew also sponsors convenings of researchers and experts to examine various issues of public policy and civic life.
